Memorandum of Understanding (MoU)

This Memorandum of Understanding (MoU) is entered into as of _____
by and between the “_____” and Office of the
Research Innovation and Commercialization (ORIC), *University of Chitral*.

INTRODUCTION:

The 1st party, being a well-established and renowned Public Sector University, has the mandate to offer education, teaching, training and research in more than two dozen areas. The 1st party has well trained human resources. It offers academic programmes at Undergraduate and Graduate level in numerous fields. The departments are supervised by highly qualified and professionally experienced faculty members including M.Phil, PhD degree holders.

Office of Research Innovation and Commercialization (ORIC), University of Chitral, its allied teaching and research departments and _____

seeks to promote cooperation, internship opportunities and advancement of research and developmental activities. Considering their common interest and cooperation in the area of Education and Research, both parties, therefore, wish to expand the basis for friendly and cooperative educational exchange and academic collaboration, and have set the following Memorandum understanding (MoU). Nothing in this agreement shall be construed as creating a legal relationship between parties, EXCEPT as specifically provided in this MoU.
